## ABOUT GYPSEA TAILS WEDDINGS

Gypsea Tails offers a unique Wedding Care services to the South West. We allow you to travel to one of the most picturesque destinations with your furry best mate, to celebrate one of the most epic days of your life

We take away all the stress of worrying if your Dog is going to be given all the love & attention they deserve.

We offer a wide range of services to ensure all your Dog care needs are taken care of. From the moment you secure your date with us, we are with you on your planning journey. You have access to connect with us at any stage to discuss your Wedding Day plans that include your Dog.

The day of your Wedding, the period just before & after are all extremely busy. Trust me I know.

Dogs are sensitive & pick up the change in energy around this time. Leave it up to us to ensure they feel safe, loved & happily exercised prior to, during & after your Wedding.

The time in our care is filled with fun & lots of adventures.

The ceremony can be overwhelming for Dogs, more so for Dogs who suffer from anxiety. So we stay close by to reassure them with treats & pats.

Asking a friend or relative to take on the roll as "Dog Chaperone" for the day is huge commitment. No one wants that task, especially your Dog. They deserve to have a person there on the day whose only job is to make sure their needs are prioritised.

Its important if you are staying in accommodation that is not Pet friendly that you book overnight care with us for as long as you need us.

YAY FOR INVOLVING YOUR  
DOG IN YOUR WEDDING.

YOU ARE AN EPIC HUMAN

# ABOUT

# MEET THE LADY BEHIND GYPSEA TAILS

HEY! I'M TAZ

I started this business so I could offer a service that I could not find when I needed Pet Care.

It has completely changed me & given me the platform to help people with their Dogs & most importantly it's given me access to the most legendary Dogs that live locally or come visit the South West.

## WHO AM I OUTSIDE GYPSEA TAILS

I am a wife, and a mum to two young kiddies who keep me on my toes. Thankfully they both adore animals as much as me.

I love the beach, photography, reading, & writing.

## A LITTLE MORE

I am spiritual soul who feels energy very deeply.

I also can't go through a day without spending at least 2-3 hours in nature by myself or with Dogs.

I am a social butterfly who craves wholesome chats over pots of tea or a glass of wine. I'm your typical Gemini.

But equally I need days without outside noise to process my energy & reset with my Dogs.

We need you to give us some basic information when you enquire with us to see if we are available on your Wedding Day.

## MY LITTLE PIECE OF ADVICE

Include your Dog as much as possible in your Wedding journey, they will be less stressed & anxious about this BIG DAY.

Book them into your Pre Wedding Photoshoot, bring them down south to visit your venue, include them in your Wedding Rehearsal. The more they are included, the less anxious they will feel on the day. Trust me, all they want is to be there right by your side, because they adore you.

READY TO BOOK IN WITH US

HERE

Once we have confirmed that we are available to assist you with your Dog on your Wedding day, we need you to fill out our Wedding Questionnaire so we get all the important info.

Don't stress if you don't have this information to hand at the time, you can fill this out within 3 months of your Wedding day.

DON'T ASK A FAMILY MEMBER OR FRIEND TO BE THE ONE TO TAKE CARE OF YOUR DOGS AT YOUR WEDDING. YOUR DOGS ARE NOT THEIR PRIORITY. YOUR FRIENDS & FAMILY MEMBERS ARE THERE TO CELEBRATE YOU.

# CLIENT REVIEWS

*Amy - Boston's Human*

We had an incredible experience with Gypsea Tails! Taz looked after our golden retriever during our wedding in which he was our ring bearer. She helped him to be involved in photos and then had him for an overnight stay. I cannot recommend Gypsea Tails enough! Lots of communication including lots of photos and Taz was so brilliant with our pup. You can tell that she absolutely loves dogs and they love her! Everyone at the wedding commented on how fabulous she was and how well she cared for our pup. Taz is also just such a lovely person who provides excellent care! Thank you for all of your help Taz! 10/10 recommend, especially if you are having your pet involved in your wedding!

*Niamh O Seanuis & Nula's Human*

I couldn't recommend Taz enough. From our very first phone call, to her meet and greet with our pups, to the day of our wedding, we felt at ease all the way through our experience. Most of all the pups were well settled and taken care of throughout the day . And we got some beautiful pictures of their adventures prior to our wedding.

Amazing service.

*Bethany - Marco & Barts Human*

Our 2 dogs stayed with Gypsea Tails for 4 nights and I couldn't recommend Taz enough!

There's nothing better than leaving your fur babies with someone who will treat them like their own, putting your mind at ease that they will be well looked after with lots of attention.

Taz also collected & dropped the boys off to our accommodation & brought them along to our wedding for us, which is such a good service to offer! Not only are we thrilled with how well the boys were looked after, we now have some amazing photos of the dogs 

We appreciate you

# THANK YOU!
